## School News

Please join us in welcoming three new students and their families to Midland. We are so happy you are here!

**Orianna**

Orianna joined Mrs. Hujber's class in Room 217.

**Gabriel**

Gabriel joined Ms. Moreno's class in Room 212.

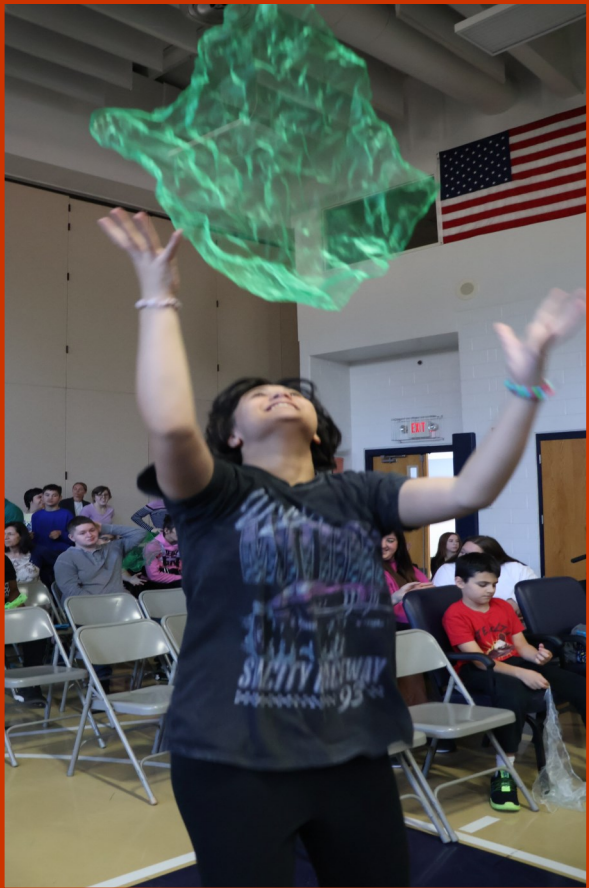

**Mia**

Mia joined Ms. Miller's class in Room 222.

# Assembly

Students enjoyed an assembly on October 14th. Thank you, David Frye: Fryed Folk Songs, for visiting Midland and performing folk music for the students and staff. Folk music brings everyone together to listen to stories, sing, clap, and dance. They had fun using puppets, shakers, and scarves to act out some songs. The funniest part was watching everyone sing and dance to the Tooty Ta song.

## Mindset in the Workplace

### FIXED MINDSET

VS

### GROWTH MINDSET

Avoids challenges

Shy away from things you don't know

Unable to handle criticism or feedback

Gives up easily

Believes failure is the limit of ability

My abilities are unchanging

When frustrated, gives up

Challenges help me grow

I can learn anything I want to do

Views feedback and criticism as an opportunity for growth

Resilient to adversity and strong mental fortitude

My abilities can develop and grow

Looks for the positive in every situation

When you have a growth mindset, you believe you can gain the knowledge and skills necessary to succeed, which makes every challenge a learning opportunity.

Given the numerous challenges employees face, a growth mindset can be a powerful tool as you work toward your career goals.

We're always a work in progress, never perfect and ever evolving.
