School Spirit Day: SPORTS LOGO DAY!

Midland is all about choice, and our students and staff showed it in style! Everyone came to school proudly wearing their favorite sports logos, representing the teams and activities they love most. From football to dance and everything in between, it was fun to see the many passions that make our Midland community so unique.

Can You Feel the LOVE? ❤️

Love was in the air all week long at Midland! Kindness and joy filled the hallways as students and staff shared sweet moments of friendship and support.

Hand-delivered, homemade cards and treats made everyone smile and brightened the week. The celebration wrapped up with a blast at the whole school Valentine's Day Dance — there's no better way to end the week than being with friends and having fun on the dance floor. It was truly an amazing experience for all! ❤️

School News

In honor of Black History Month, Midland was excited to welcome OKRA Dance Company for a vibrant school assembly. Their interactive program, *American Dance: From Africa to Broadway*, explored three centuries of American history through dance, highlighting how traditional African and European roots influenced tap, jazz, and Broadway.

A special thank you to our amazing performers for showcasing dances from around the world and sharing the story behind each one. It was an outstanding performance that truly captured our students' attention.

Happy Birthday

Field Trip

Mrs. De La Torre’s class had an unforgettable day on their field trip to **Life Town** — the very first time The Midland School has visited this incredible simulated city in Livingston, New Jersey!

Life Town brings everyday lessons to life, giving students the opportunity to practice real-world skills in life-like shoppes and sidewalks within a supportive environment. Our students explored the pet store, art store, movie theater, ShopRite, ice cream stand, book shop, dentist office, playground, sensory room, and gym. Each student even visited the bank to withdraw \$12 to spend.

It was truly an amazing day filled with learning, independence, and BIG smiles.
